PRIME MINISTER'S  
**VETERANS'**  
**EMPLOYMENT**  
PROGRAM

AeroPM is a veteran-owned and operated Defence Industry professional consulting services company. AeroPM is passionate about supporting veterans to successfully transition from Defence into the Defence Industry, to retain their knowledge, passion and dedication within the Defence community, and upskill these veterans into industry leading consultants to support acquisition of Defence capability. AeroPM consultants provide expertise to numerous Defence projects across the following skillsets: Project management, engineering, test and evaluation, materiel logistics, commercial management and capability management. AeroPM can offer veterans employment opportunities in any location across Australia.
