

THE VETERAN EMPLOYMENT PROGRAM

Veterans - are you looking for a civilian career?

Search for potential employers that have joined the Veteran Employment Commitment (VEC)

Organisations that have joined the VEC are recognised for their workplace policies and practices that support veteran employment.

Depending on their policies and practices they are recognised as a Veteran Employment Supporter, Veteran Friendly Employer or Veteran Employer of Choice.

Search the list of organisations that are committed to recruiting and retaining veterans. Search by:

- Industry
- Location
- Veteran employment practices

The VEP website also offers links to a range of job search tools for veterans.

Search VEC
organisations

Find information and resources to help you move to civilian employment

The **Veteran Employment Toolkit** and 'For Veterans' section on the VEP website hosts a range of topics including:

- Beginning civilian employment
- Finding and getting a job
- Identifying, translating and building your skills
- Understanding the civilian workplace
- Starting your own business
